

Finding Faith in the Marketplace of Life

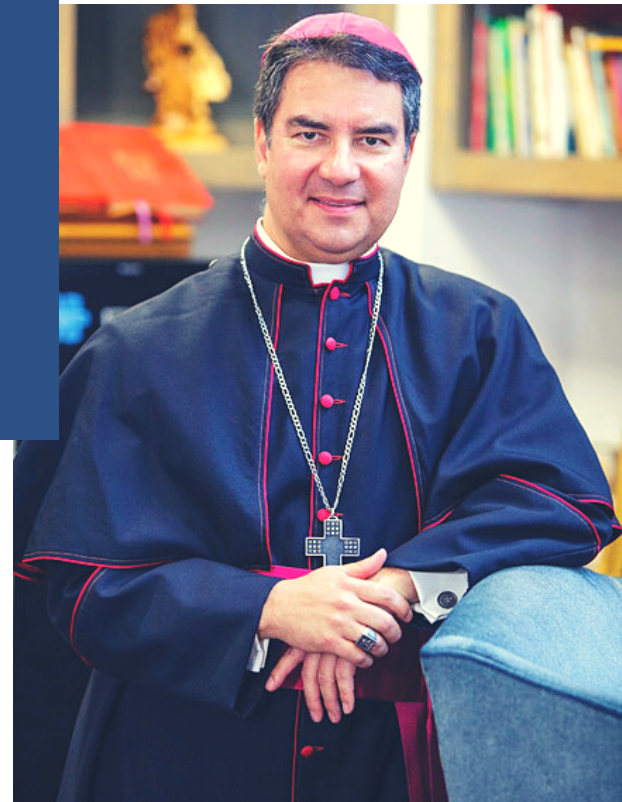

An Evening with Bishop Cantú

Do you find it hard to keep up with all that life throws at you? Do you have a sense that you're meant for something more? Where do you turn when you feel alone in the midst of life's challenges?

Please join St. Martin of Tours Parish as we welcome Bishop Cantú to help us make our faith approachable. Our time will include the sharing of practical and accessible ways to grow in our faith, especially during the Lenten season. Bishop Cantú will reflect on the various stages of one's faith journey while exploring how even Jesus experienced hardship before beginning his most transformative ministry.

We will have childcare, activities, and snacks available for those under 12.

ALL ARE WELCOME!
